theme:

spectrum of cap

...As light approaches the campus of Capuchino, it is dispersed into a myriad of colors forming a radiant spectrum. Each portion of the campus' life, be it activities, faculty, people, or sports, casts a colorful glow about the school, which makes it one of the most respected on the Peninsula.

Within the pages of Cap '63 are captured and recreated the colorful events which, together, form the spectrum of Cap.

dedication

As a dedicated and respected teacher at Capuchino, Mr. Leo J. Ryan has diligently worked not only to instill the principles of government into his students and prepare them in knowledge and character, but also set an example of the participation every citizen should take in our country's democratic system. While serving as Mayor and Councilman of South San Francisco, Mr. Ryan demonstrated his sincere interest in government. Now he has received a much higher honor by being elected Assemblyman for the 27th Assembly District in the November, 1962, election.

We, the staff of Cap '63, dedicate this book to an admirable and devoted teacher, Mr. Leo J. Ryan.

... a fine leader.

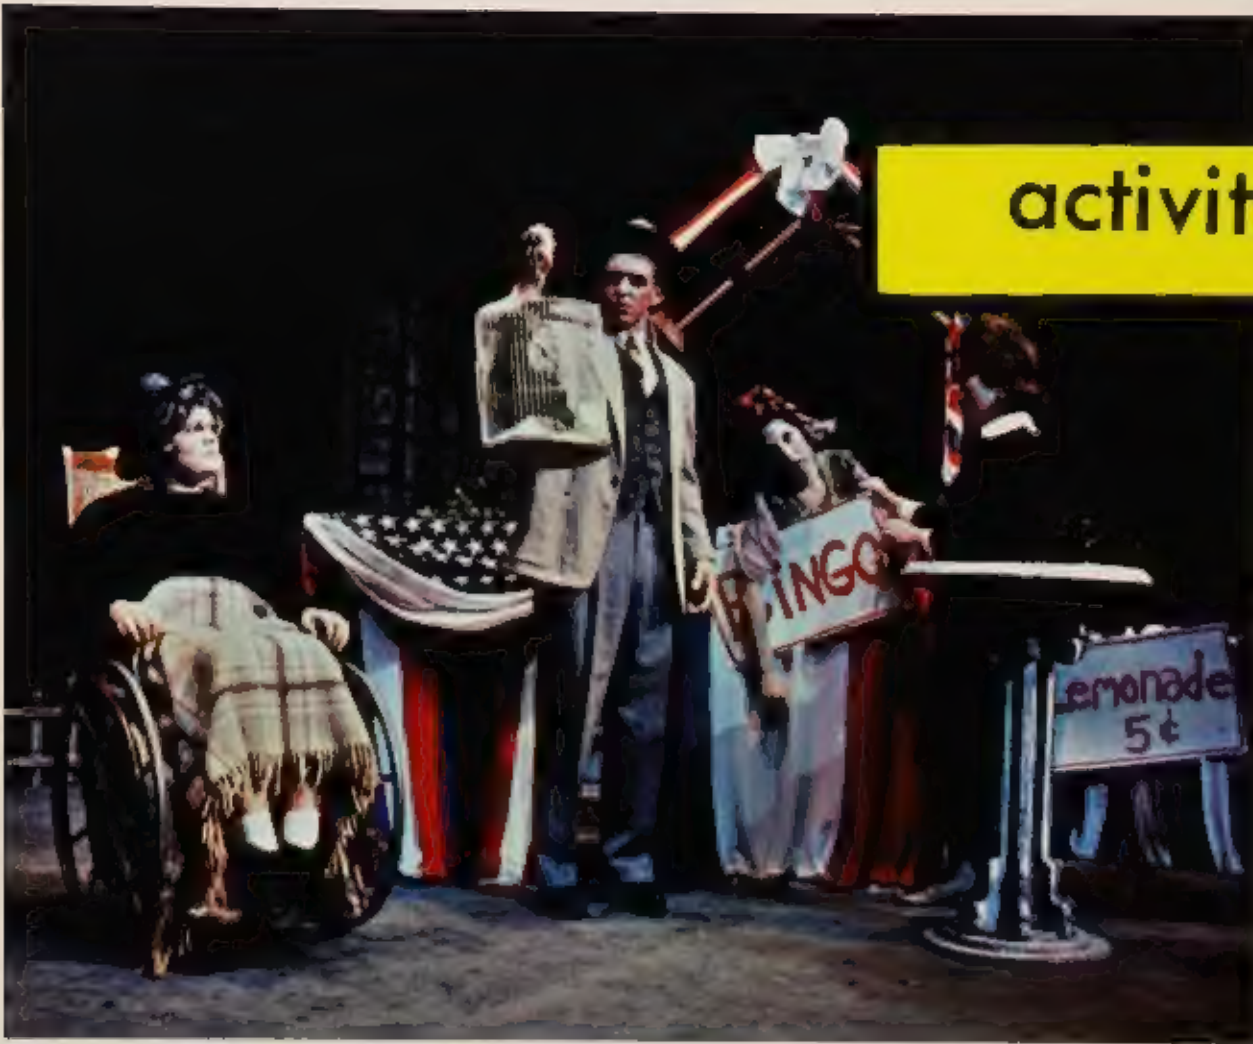

... prepares youth in knowledge and character.

cap hosts evelyn and michelle visits

miss evelyn frejas

exchange students act as high school ambassadors

What makes up an exchange student? Good grades? Certainly. Interest in world affairs? Of course. But there is more. To be an exchange student one must possess that certain something which will allow that person to reach beyond all language and custom barriers and into the hearts and minds of the people. An exchange student is a foreign ambassador with a mighty big job.

Michelle spent the summer attending school in Australia where she made many friends, which is evidenced by her bulging mail-box. Evelyn came to Cap from her home in the Philippines. Since her arrival she has worn a continuous smile and projected her warmth and personality to all with whom she came in contact. As foreign ambassadors Mickey and Evelyn have more than fulfilled their responsibilities.

miss michelle
de klyen

freddie; australia

Visiting Cap's campus for several weeks was Freddie Valderrama Bazon, a student from an Army Medical School in Pachuca Hidalgo, Mexico. Brought to us through the Student Exchange of the Americas Program, Freddie made many friends at school and expressed his unhappiness over leaving. When asked what he liked best about life in America he replied American girls, his trip to Disneyland, and Chinese food! As part of the program, Freddie's American brother Mike Montgomery will return the visit by spending two months with Freddie and his family in Mexico this summer.

Mrs. Billie Hallberg, faculty advisor to the American Field Service Club, stands near a representative symbol of the organization, for the interests of each A.F.S. club member encompass the globe.

A.F.S. CLUB Officers (standing in front row) second from the left, are: Kathie Bales Secretary, Kris Kahn, Historian; Evelyn Freas Vice President; Michele De Klyen, President and Steve Jacobs Treasurer.

The A.F.S. Club which was responsible for having Evelyn visit our school this year, is made up of Juniors and Seniors only. They meet regularly to plan various moneymaking activities which will pay the way for an other exchange student next year.

philosophy club

The Philosophy Club strives to bring out the innermost thoughts and ideas of its enthusiastic members. Mr. Tyner is its adviser.

german club

The German Club aims, through enjoyable ventures such as movies, dinners, and speakers, to learn about Germany and its people. Mr. Shurk is faculty sponsor.

clubs

science club

The Science Club attempts to find new horizons of study in science and related areas. A highlight each year is their weekend field trip. Science department instructors, shown with the group on the ends of top row (from left) Mr. Scott, Mr. Jenvey, Mr. Lundgren, Mr. Hagen, Mr. Heward and Mr. Nordquist, all act as advisers.

medical arts club

The Medical Arts Club at Cap, advised by Mrs. Byers and Mr. Hagen, is open to all students who are interested in any phase of a medical career. Panels, conferences, lectures and movies were presented in order to acquaint members with and further their interest in the various medical fields

complete spectrum of activities

cadet teachers

Students who might be interested in teaching as a career have the opportunity of entering a cadet teaching program at Cap each spring. They have a chance to practice actual teaching while visiting San Bruno and Millbrae schools. The group, numbering 62 seniors, was advised by Mr. Don Laclergue.

the block "c's" prosper

This year's Men's Block "C" is one of the most prosperous years in the history of the club. Through numerous activities and concessions the Men's Block "C" had an enormous treasury at the climax of the year. President Bill Hill was mainly responsible for the great success of the club this year," stated club adviser Don Loxlergue.

This year's Girls Block "C" like the Men's Block "C," had one of its most prosperous years. The girls exerted themselves in their weekly candy sucker sales, which proved to be a financial success. Also their annual barbecue was held at the end of the year. As a climax of the year, the Girls' Block "C" awarded a scholarship to a deserving senior girl.

Secretaries: Carol Goodyear, Dennis Doris, Dolores Hessler

cba and cga show initiative

The Capuchino Boys' Association under the wise assistance of its advisors, Mr. Magginietti and Mr. Andresen, had a very successful year. To start the year the CBA officers welcomed the new students, mostly freshmen, at an assembly. In November the biennial Fischer Body Assembly was held. They also held the concession at the Mills' game, which was a financial success. The Military Assembly and the Gymnastics Assembly were also sponsored by the CBA. At the end of the year, a one hundred dollar scholarship was awarded to a senior boy.

This year's Capuchino Girls' Association, like the CBA, had a very busy year. Beginning with an assembly for freshman and sophomore girls, followed by the Mother-Daughter Dessert, they were on their way to a successful year. The highlight of the year was the Golden Garter, a roaring twenties dance sponsored by the CGA. Mrs. Robson and Mrs. Chipman furnished invaluable assistance as advisors.

CGA Cabinet, L. to R. (Bottom Row) Marlene Fenech, Vick Eska, Donna Asplund, Bonnie Sisk. Representatives (Top): Glenda Miller, Karen Cooverl. (Bottom): Donna Davis, Sue Paoli.

Managers: Anne Devincenzi, Gail Abernathy, Karin Cushman, Judy Thompson, Carol Goodyear, Diane Oliver, Judy Turnbaugh, and Eileen Kinde l

Together, the officers, managers, and class representatives form the GAA Cabinet. Their duties include the organization and planning of all club events, as well as providing the basis of a closely-knit group of girls.

Healthful recreation and team spirit is encouraged in GAA, which is open to all interested girls. This year over eighty girls participated in after-school sports ranging from tennis to synchronized swimming.

One of the year's highlights was the GAA's annual mother-daughter fun night. Those who attended enjoyed volleyball, folkdancing and refreshments (above and at left).

we recognize cap honor students in csf and phi beta cap groups

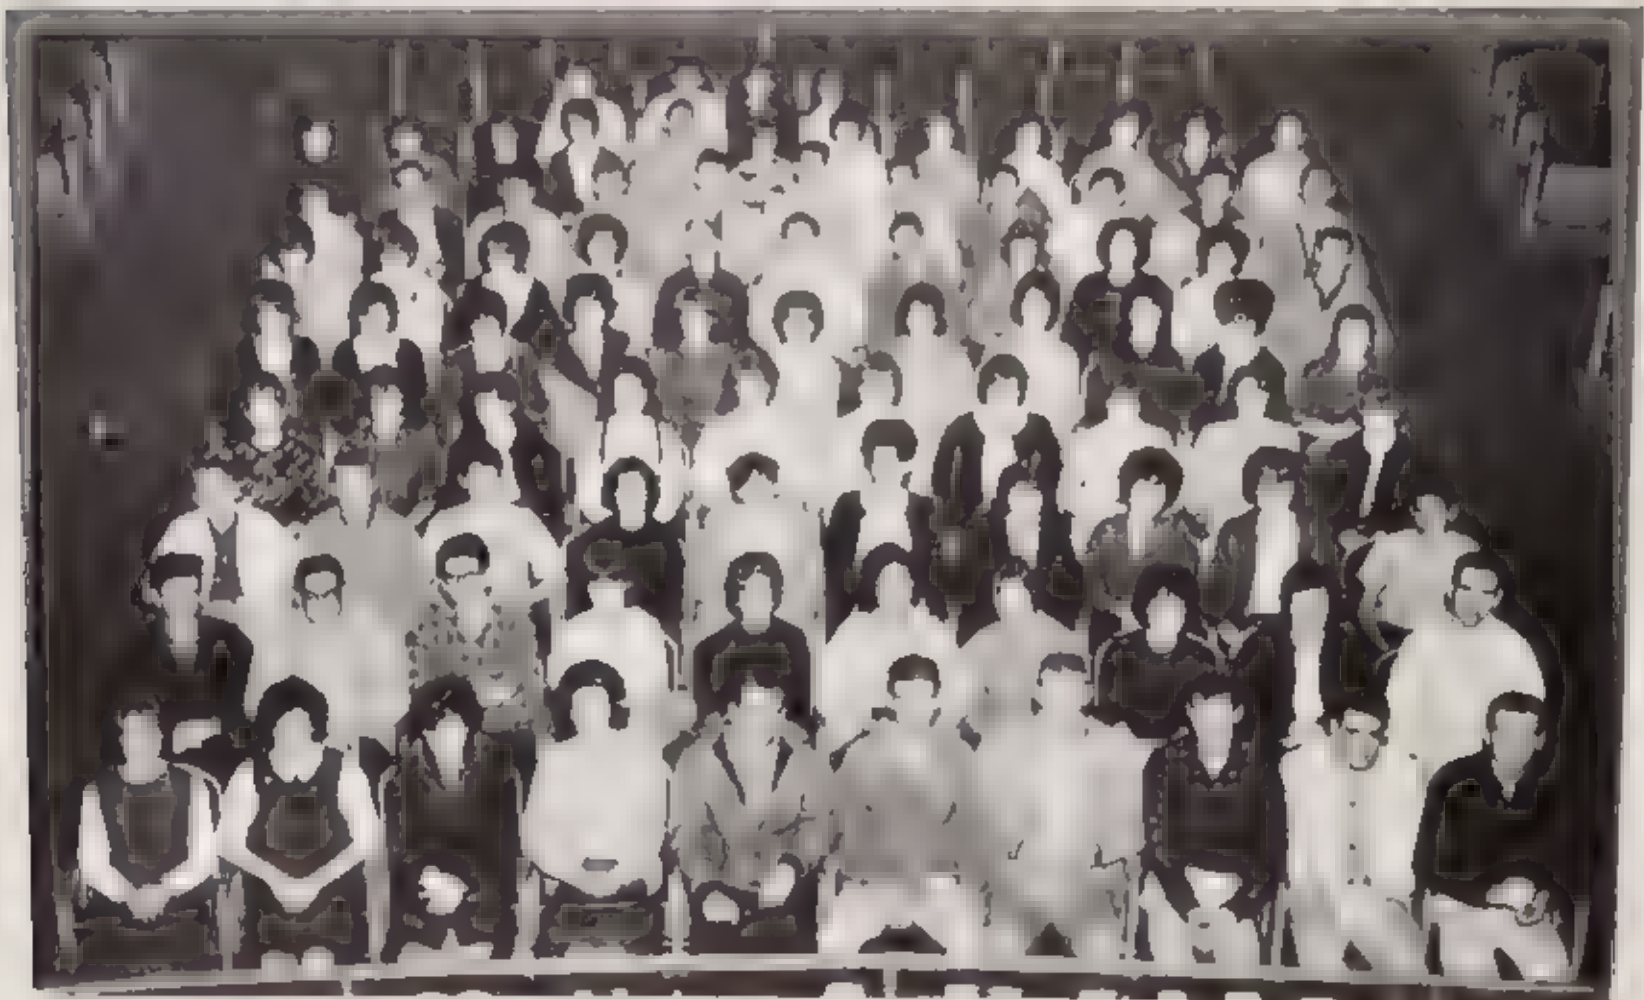

Miss Ruth Hallisy

... who in order to achieve membership in the California Scholarship Federation must receive three A's and a B, on their final report card, for a total of ten points. This statewide society honors students with recognition of their accomplishment.

First semester's members had the unforgettable experience of attending the Tennessee Ernie Ford Show with their competent advisors, Miss Ruth Hallisy and Mr. Floyd Gordon.

Editor Kris Kahn was instrumental in making this year's Stampede one of Cap's greatest papers ever. Advisor Corburn Palmer did his usual excellent job instructing the staff in the fundamentals of Journalism

A high quality of writing was turned in by these page editors. Marianne Shields, Mike Curtin, Linda Hill and Kathy Daley, helped make the paper enjoyable to the readers

L. to R. (Top Row): Jim Dombrowiak, Craig Henry, Wayne Stockslager, Ray Ellis, Larry Andren, Mike Curtin, Mike Schneider, Mike Montgomery, Bob Hammerback, Shirley Patterson, Kathy Pierson, Marianne Shields. (Bottom Row) Heidi Stanley, Teresa Donovan, Shirley Ronduch, Kris Kahn, Margaret Colin, Judy Lawrence, Cindy Huffman, Kathy Daley, Linda Hill, Nancy Figone

stampede rates high

Another Capuchino first occurred this year when the Stampede News Bureau was formed. The function of this group was to write news stories about Capuchino activities and send them out to such papers as the San Mateo Times and Millbrae Sun. Editor Larry Andren did a fine job and was ably assisted by Kathy Pierson, Margaret Colin, and Bob Hammerback

This year's Journalism staff was one of the most talented classes ever to work on the school paper. Managing Editor Mike Montgomery labored constantly to raise the quality of stories in the Stampede. Others who contributed to the school paper were Wayne Stockslager, Nancy Figone, Eileen Kindell, Margaret Colin, Larry Andren, and Shirley Patterson. Included in this year's front page stories was a private interview by Kris Kahn with Governor Pat Brown

hoofprints

publishes capites'

best
endeavors

With a ready smile, Mr. Grimes was always there to help and advise a hectic staff trying to meet a deadline.

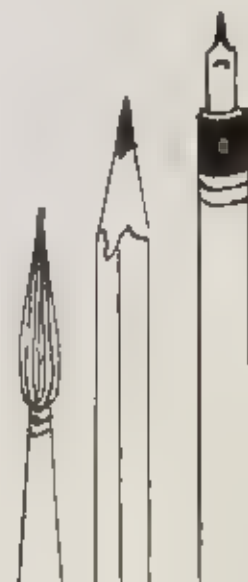

Editor Eileen Kindell believed 'Hoofprints' had a reputation to maintain not only as a Capuchino tradition, but also as a worthwhile literary magazine composed of original, high quality contributions—a collection of the best Cap students had to offer.

Staffed by these capable students and advised by Robert Grimes, this year's edition of Hoofprints was a memorable publication, especially to the staff which coped with all the situations that arose involving Hoofprints.

Many sketches resulted from the skillfully wielded pen of Hoofprints art editor, Kathy Lineham.

A familiar face in a familiar place: Keith Chapman at the keyboard of an organ. Keith (whose solo performance of Handel's "Organ Concerto" highlighted "Music for Christians") has numerous successes credited to him—including a radio broadcast of selections played by him on the Grace Cathedral four-manual organ.

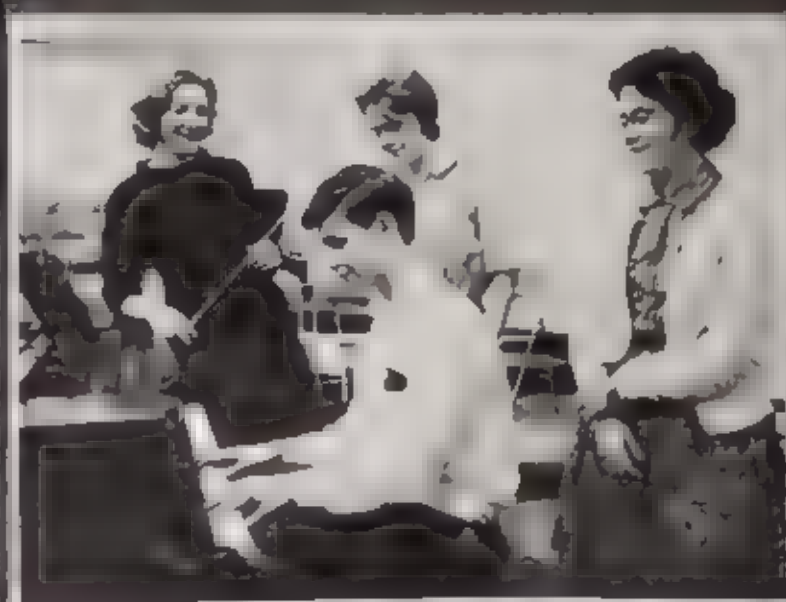

With recordings and personal records, the four players with the strings compose Cap's Orchestra.

orchestra offers culture

for
cap

A pianissimo conducted by Maestro Mielenz elicits the merest whisper from hushed strings.

Keeping together as a team is the aim for meeting goals of students in school groups. Kathy Neal, Kim Thomas, Liz Davis and Kimberly O'Connell have achieved their objective through the S.F. State High School symphony under the famed Maestro Mielenz.

"music for christmas"

combines the

contemporary with the
classical . . .

As the first chords of the "Hallelujah" sounded, the first notes travelled their electric circuit up every spine.

Several movements of Paganini's "Stabat Mater" were sung by the Girls' Ensemble. From top left the girls in the Ensemble were: Ann McGowan, Suzanne Cunningham, Janice Rogers, Eileen Kindell, Linda Erickson, Janie Clifford, Karen Kraschke, Christina Ber-

Indicates soloists

For the Spring Concert, the Bach Chamber Choir sang certain movements of the "Third Motets" by Bach, which were composed especially for a small choir.

Concert Choir officers spend extra-curricular time seeing to administrative details and planning activities for the group. From front to back, the off-cats are: Ruben Gorza, president; Martha Denton and Linda Erickson, co-secretaries; Rick Aiken, business and publicity chairman; Marilyn Ferguson, treasurer; Eileen Kindell, secretary-business and publicity manager; Suzanne Cunningham, music librarian; and Gordon DeVol, vice-president.

Keith's wire-rimmed "Bach spectacles" hardly insure a serious atmosphere, especially when Mr. Mielenz joins him at the piano to clown with some very original interpretations of familiar pieces. Is it the "improvisation" that keynotes their success as a duo? Or is it maybe the characters.

The Treble Clef—an indicative figure of the Girls' Ensemble.

after hours

Besides those fulfilling responsibilities in elective and appointive positions as Concert Choir officers, members of the Chamber Choir and of the Girls' Ensemble sacrifice much of their free time for the welfare of Capuchino's Music Department.

To qualify for these groups, students must audition satisfactorily, must have the ability to learn music and the time to perfect their presentations.

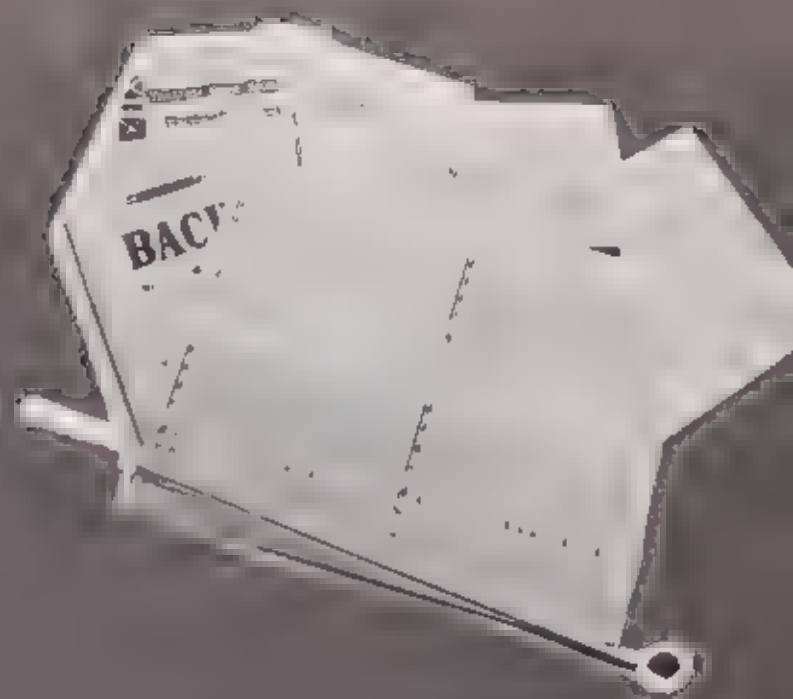

Then many hours are devoted to rehearsing for programs which never fail to please and astonish audiences with the quality of their performances.

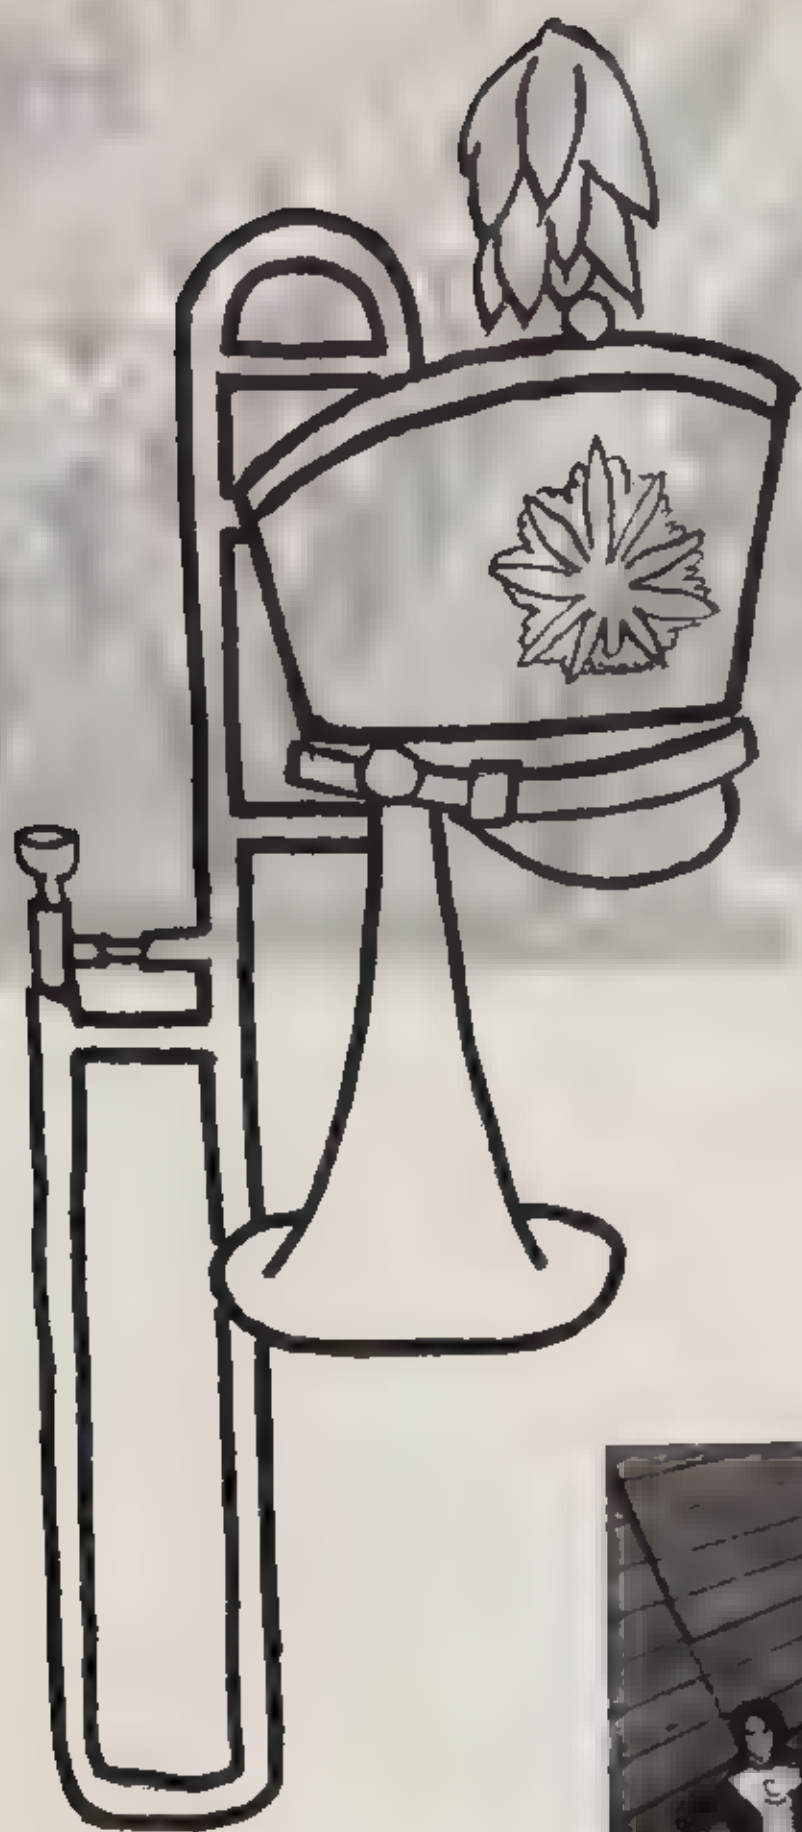

107 voices blend
in this year's

capuchino

concert

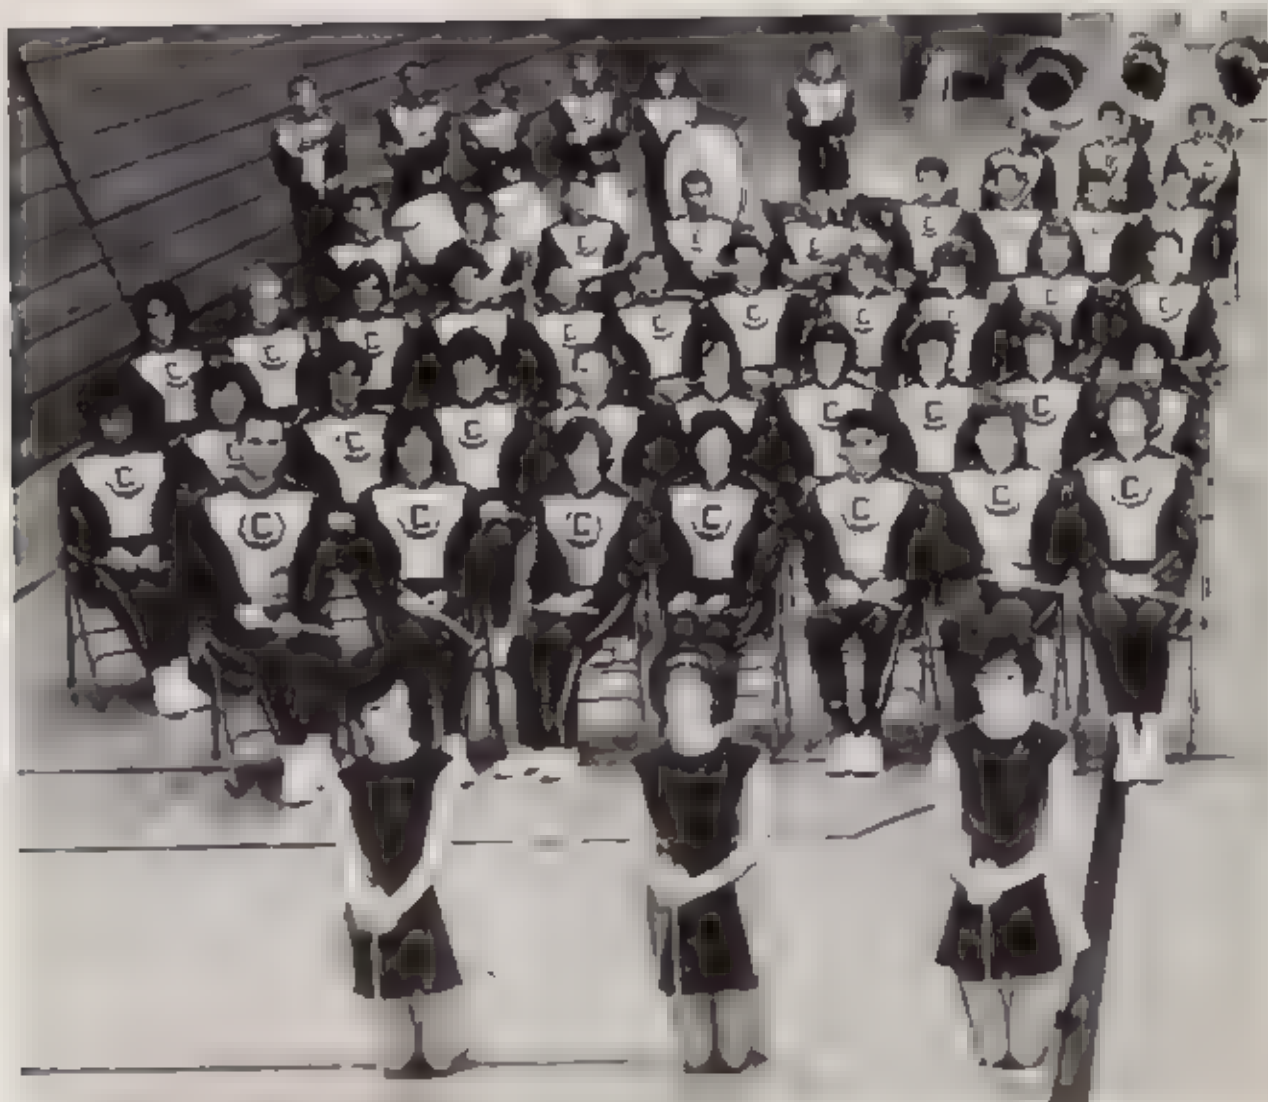

choir

... and our
band keeps

marching on ...

The Pep Band contributes spirit and enthusiasm to Cap rallies and basketball games.

Like his father, little Ralph Bredenberg is a staunch Cap supporter.

Our incomparable Band leader—Mr "B".

Capuchino's outstanding Marching Band, in addition to participating in half time activities at football games and producing its own spring concert, has added its talent to many school activities and events across the entire state. The Fine Arts Award Show and Graduation were two of the band's major school functions and they also participated in such local activities as the Millbrae Youth Parade, The Posa Parade and the San Bruno U. N. Day Celebration.

The band attended the Long Beach Marching Competition in November, and while in southern California played at Disneyland. This was a great honor. Upon returning home the band was again issued an invitation, this time to play at the premiere of the new Cinerama movie in San Francisco.

majorettes provide
colorful inspiration

This year, Capuchino majorettes have surpassed all expectations. These five energetic baton-twirlers have marched with the band to Long Beach, at local parades and events, and provided colorful half-time entertainment during football and basketball season. They have captured the attention of all eyes because of their enthusiastic drive, intricate and ingenious routines, and precision which reflects the continual hard work which they go through to attain the outstanding reputation which has made them nationally renowned.

Bob Chisholm

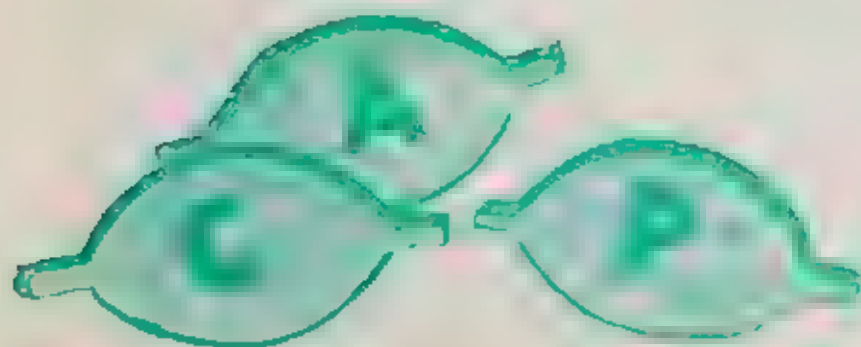

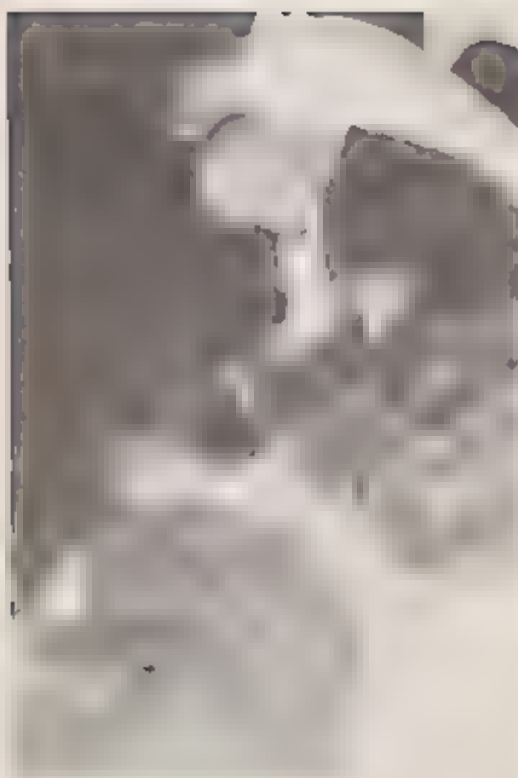

drum major and banner girls lead band

With the blowing of his whistle, and the twirl of his baton, Drum Major Bob Chisholm has successfully led the spirited Cap Band for his third straight year.

Accompanying the Band to Long Beach this year were Cap's nine Banner Girls. Precision plus is a good description for Diane Stephenson, Charlene Winter, Nancy Figone, Cheryl Crawford, Cathy Cloudon, Linda Lever, Leslie Laird, Karen Weber, Sue Werner.

Hey, I dropped my "CAP" pennant

Our favorite rooter gives the team a hand

"with voices strong . . .

Carl Reyna and Cap spirit have been synonymous for several years at Capuchino athletic events. He is a man whose boundless enthusiasm never fails to arouse the hopes and cheers of Cap rooters, whether the team is winning or losing. In appreciation of this support and in hope that it will continue in the years to come, Capuchino Student Body presented to Carl a Golden "C" card entitling him to honorary admittance at all events at Capuchino.

Carl takes full benefit of half-time to refresh his bubbling spirit

"Need any help, girls?"

. . . . we raise our song"

Mary Bougness

These Pom Pon girls have enlivened the rallies and games of both football and basketball seasons. Under the guidance of Miss Rusch, they have devised intricate steps and clever routines which have encouraged all Cap rooters to "Sing Along."

Maria Herrera

Dianne Stephenson

Freshman Princess
Laura Fogesong

Among the duties of the queen during traditional reign over the big game with M. is High. During half-time, Queen Sherrie was escorted onto the field by her date Bart Price, and presented with a bouquet of roses by Student Body President B. Forster.

The camera focuses on George Morgan and his date Janet Hoxton who is perhaps a bit reminiscent over the past year and her reign as junior princess.

Pride and relief are reflected on the face of Jerry Baughman (center) as his steady, Marlene Wilbert, is proclaimed Senior Princess, 1962.

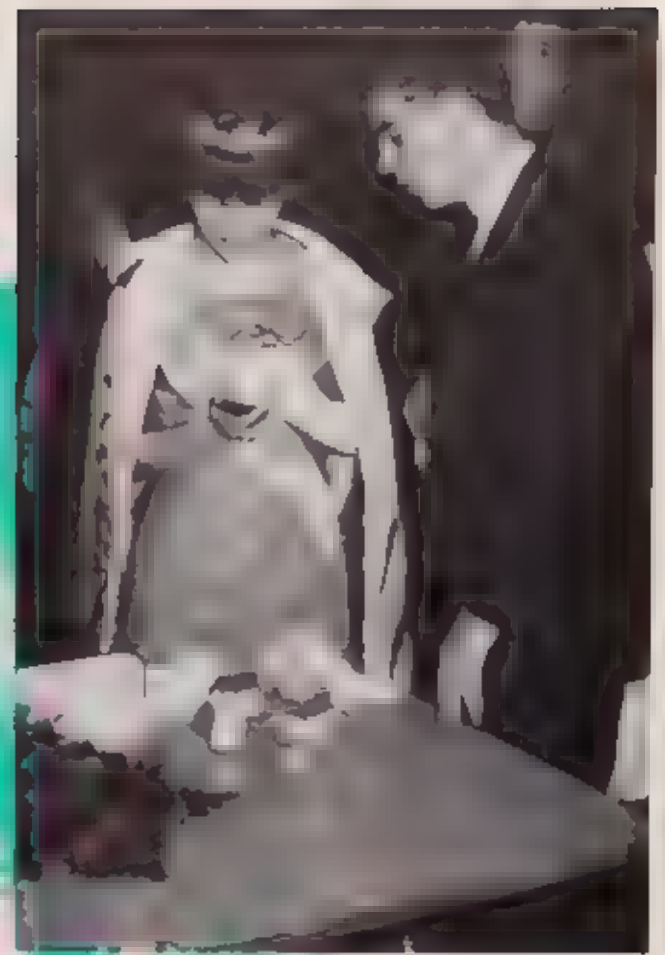

queen's ball

Despite its success, the dance brought a touch of sadness to many of the seniors who began to realize that this was their last Queen's Ball.

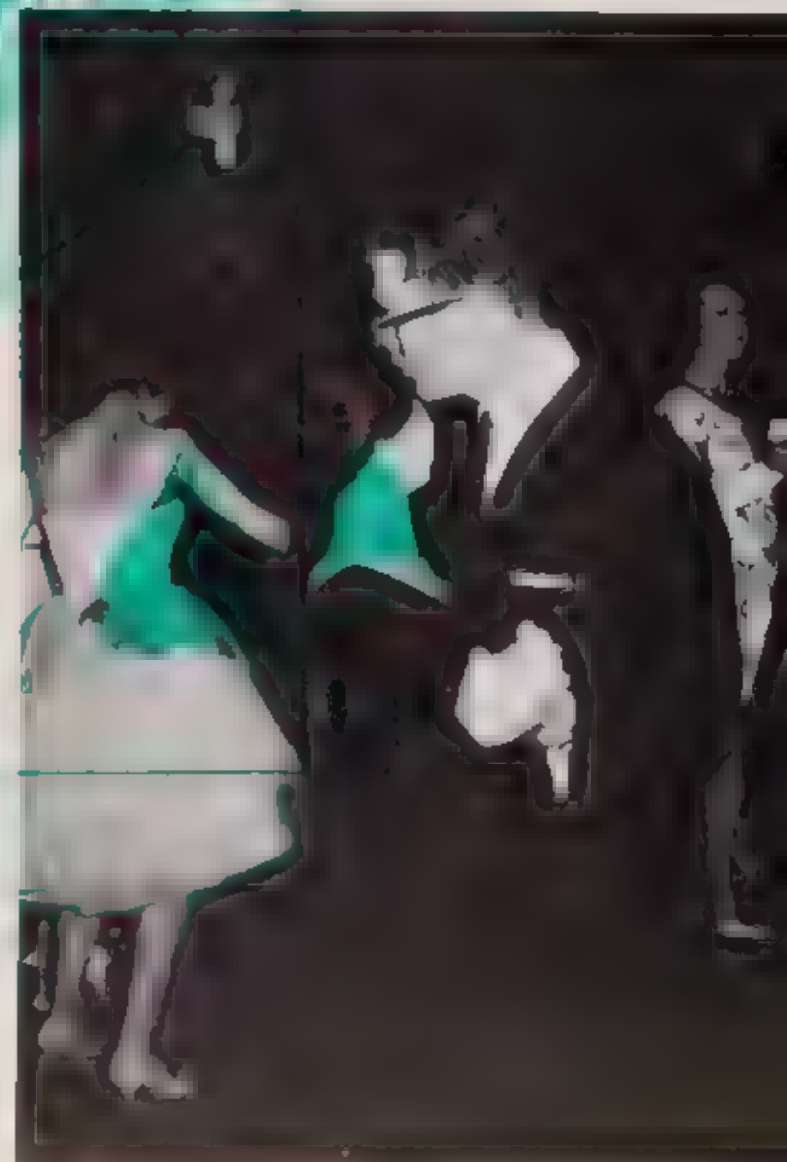

Among the couples at this year's Queen's Ball were Miss Gaudi and Mr. Nordquist, well-liked teachers at Cap.

After her coronation, Queen Sherrie is seen opening her gift from the Student Body, a silver pendant.

Tears in her eyes, Queen Sherrie glances with disbelief at the crowd which voted her queen. Sherrie Gaudi is seen passing out the traditional gifts to the royal court.

brings suspense

Suspense reigned on the night of November 16, 1962, as Capuchino's Student Council sponsored its annual Queen's Ball. Held in the cafeteria, this year's ball was said to be the best yet. Music was supplied by Cap's own dance band and couples danced from 8.00 'till 11.00.

As 9.00 approached, suspense grew, and couples wondered which senior girl would be crowned queen for 1962.

t
h
e

Pictured above and at far left is Oliver T. Erwenter, portrayed by Mike McQuade. He and his rooster, Omar, arrive at an old people's home and bring happiness and excitement to their dull lives.

silver

whistle

Discussing the arrival of Oliver T. Erwenter and his rooster, Omar, were Sue Stahlton, Mike Curtin, Sue Dills, and in the background, Marcia Merrill. Pictured below is Tom Macris in his role as Emmett who tries to blackmail Mr. Erwenter who in reality is an impostor.

Under the skilful and excellent direction of Mr. Tan, this year's first play, "The Silver Whistle," was a huge success.

Engaged in a lively discussion concerning Omar the rooster are: Mike McQuade, Sue Stohlton, Mike Curtin, Carl Cahill, Ann Todd, and Sue Dills.

Proudly Presenting . . .

The hush of an empty theater . . . anguish of rehearsals . . . casting . . . grease paint . . . lighting . . . designing and re-designing the sets . . . watching the sea of faces over the footlights on opening night . . . and another play is born (The Silver Whistle)

THE CAST

Oliver T. Erwenster	Mike McQuade
Mr. Beebe	Mike Curtin
Mrs. Hanmer	Sue Dills
Miss Hoadley	Marcia Merrill
Miss Trapp	Ann Todd
Reverend Watson	Don Wagner
Mrs. Stampler	Sue Stohlton
Mrs. Gross	Vicki Dryden
Mr. Cherry	Carl Cahill
Emmitt	Tom Macris
Bishop	Rich McDonald
Father Shay	Pete Hanschen
Mr. Beach	Tim Wagner
Mr. Reddy	Richard Beaswarrick
Policeman	Ron Clark
Omar	Omar

At left, Vicki Dryden captivates the audience with her portrayal as Mrs. Gross. Above and at right, the excitement that rises on stage when Reverend Watson is involved in a humorous conversation with Mrs. Gross is evident. The other members in the cast who are pictured are Sue Stohlton, Sue Dills, Mike Curtin, Carl Cahill, Don Wagner, Ann Todd, and Vicki Dryden.

" or comfortably laung ng "

"moonlight mist" proves successful as a memorable senior affair

One of the greatest highlights of their high school career "

Dancing to the

senior ball is festive

This year's Senior Ball, "Moonlight Mist," was considered "very successful" by all who attended. Dancing to the romantic music of Sal Carson, or comfortably lounging in the festive atmosphere of the Hilton Inn, all were completely content.

The seniors were awarded their Senior Ball through much effort. A district policy had stated that Senior Balls were prohibited. Through a petition signed by almost everyone of the 425 members of their class, the "class of '63" was granted the opportunity to hold their Ball.

Given the opportunity, the great "Class of '63" made it a fabulous affair. Many Seniors agreed, that January 26, 1963, the night which they attended "Moonlight Mist" was one of the greatest highlights of their high school career.

Beginning of a 'fabulous affair'

romantic music of Sal Carson

n the festive atmosphere of the Hilton Inn

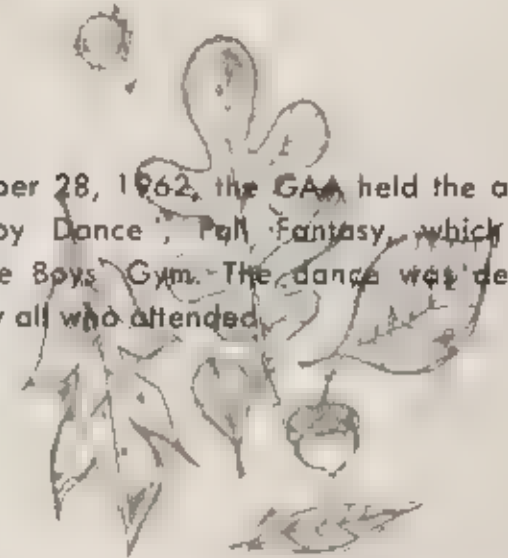

fall fantasy

(At top left) Football player Jim O'Keefe can be seen charging away from his date, Bonnie Sisk.

Music for the evening was provided by the "Dick Crest Band"

On September 28, 1962, the GAA held the annual "Girl-Ask-Boy Dance", Fall Fantasy, which took place in the Boys' Gym. The dance was deemed a success by all who attended.

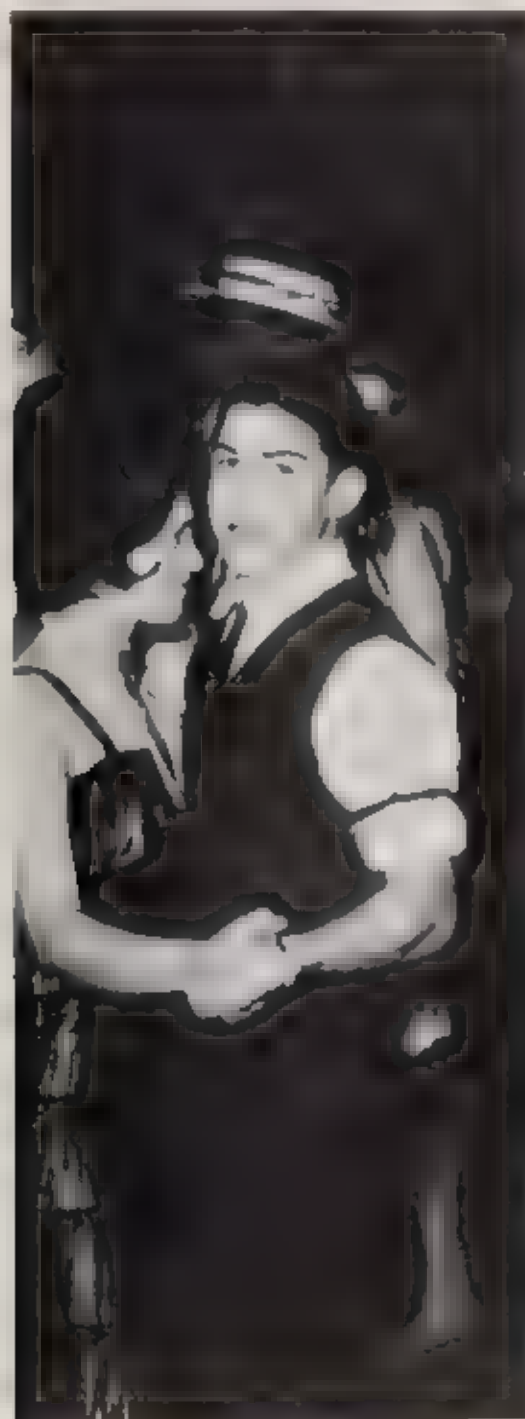

Twisting the night away are Mimi Hilaire and Rick Berthod

Catching their breath between numbers are Rich Velromite, Carolyne Wallace, Laurie Newman, Mike Schneider with Dave Barry and hidden behind him his date, Leslie Lard

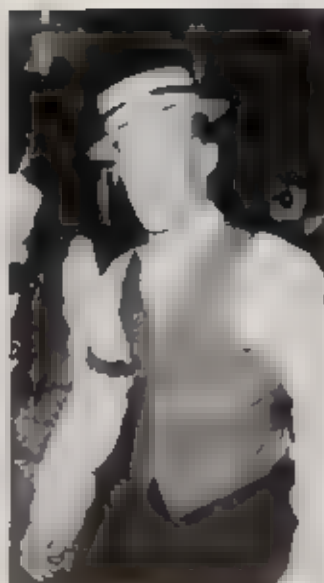

'Model A' and the costumes of Seniors Dave Hothorne, Dolores Heszler, Rick Berthold, and Myra Walinski enhanced the atmosphere of The Roaring Twenties Dance.

Dancing to the music of Dick Crest and his band are Sandy Davis and her date John Pegueras.

Elated at their success are the Costume Contest Winners Janet Brown and Rick Berthold.

Parading before Costume Judges, Jim Booth flashes a hopeful smile.

Dave Lyons plays the College hero of the 1920's with the typical racoon coat.

the golden garter

Raccoon coats, fringe, and the Charleston, helped to bring back the Roaring 20's and the by-gone days of "The Golden Garter". This dance sponsored by the CGA was held in the cafeteria on March 8, and was a fabulous success with its realistic atmosphere.

Kathy Ellery and Cheryl Nix, both standing, alternated in the role of Miss Robson. Seated are Vicki Bolts as Melinda Grant and Barbara Kahn as her mother.

Cap's second production of the year, "Teach Me How to Cry," presented on March 22 and 23, is a play long to be remembered. Taking place in a small town in the early thirties the play concerns itself with two teenagers who fall in love and can not stay together. At times it made one laugh and minutes later, cry. The unusual stage setting, musical background and special sound effects added to the success of this production.

The cast of characters performed exceptionally well and is as follows:

Mrs. Grant	Barbara Kahn
Anne	Sandy Pipinich
Eleanor	Suzanne Mahoney
	Elaine Tannehill
Miss Robson	Cheryl Nix
	Kathy Ellery
Melinda Grant	Vicki Bolts
Bruce Mitchell	Jack McPhee
Polly Fisher	Sue Schultz
Will Henderson	Tom Macris
Mrs. Henderson	Caroline Winslow
Mr. Henderson	Bob Parker
Dancers	Bob Del Debbio
	Jan McCracken
	Elaine Tannehill
	Sue Schultz
	Jack McPhee
	Harvey Solomon
	Suzanne Mahoney

Extra color and entertainment of the dance scene was added to this unusual play directed by Mr. Kenneth Ton.

Above in the Henderson's kitchen, Caroline Winslow as Mrs. Henderson and Bob Parker as Mr. Henderson discuss their problems before their son Will arrives.

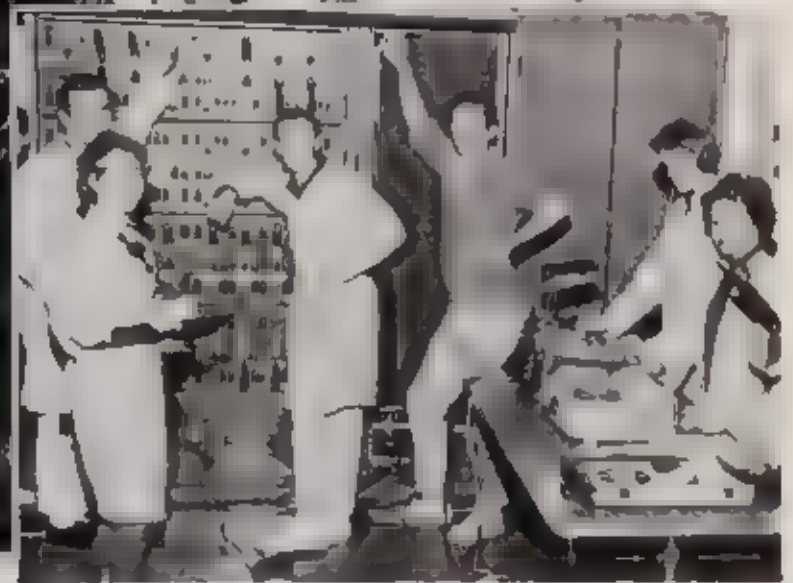

"I love you, Will", whispers Melinda upon the ruins of the bandstand when she learns that Will, played by Tom Macris must leave.

"teach me how to cry"

Jack McInroe, as Bruce Mitchell, and Tom Macris
and the exciting moments of the unforgettable
fight scene

The ten scene changes were created by blacking out
the stage. Pictured are some of the students that
play the parts behind the scenes

"You were never my friend — I hate you more than anything else in this
world!" cries Paily, played by Sue Schultz, as she slaps Vicki Bolis

Many thanks to the stagecraft crew under the direction of
Mr. Stan Grasse.

home ec. and industrial work together for

Each year at Cap the girls in homemaking courses work hard to put on their fashion show, in order to show parents and friends the fine work which is done. The girls from clothing classes model the garments they have made, while the cooking classes serve refreshments. This year for the first time, Cap's outstanding industrial arts

Modeling their garments made in clothing classes are: Boni Pipinich, Michelle Gramm, Caro Bergmark, and Connie Aprile

L. to R.: Phyllis Sposito, Julia Balestreri, and Jan Paroli.

L. to R. Carol Burton, Pat McConn, and Vicki Eska

arts students vocational arts show

department entered into the program. Many people were actually unaware of the beautiful furniture that is made in the shop classes. This year the boys were given the opportunity to display their craftsmanship for the public

It took plenty of work to get their water skis so shiny, but it was worth it, claim seniors Ken Artru and Jerry Baughman

Rich Grondena has a long way to go before he's finished but when he is, he'll have a TV cabinet showing skilled workmanship

Jim Brose ref nishes a guitar, an exacting task.

Ron Hankins and Stan Springer have a lot to be proud of; their coffee tables will look attractive in any living room

tables are turned as . . . parents go back to school

'Nice try, Mrs. Asbury, but I'm afraid you'll be well enough to attend second period biology'

Each year Cap parents have the opportunity to attend classes and meet their children's teachers. "Back to School Night" is conducted like any normal day at Cap. There are announcements, pledge of allegiance, tardies, — sometimes even detention!

None of that stuff in the halls! Mr. and Mrs. Hawn take time out at brunch for a cup of coffee

Here, a couple of unknown parents invade Senior court

Below, Mr. Grimes explains to the parents of his Publications students the various steps in turning out a school yearbook

Mr. Haggood entertained the audience with several western songs and later returned to sing with the quartet, 'The Four Mai De Hydes'

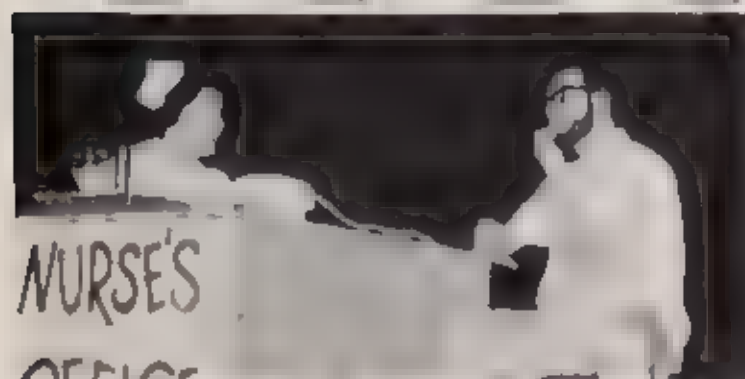

Highlight of the evening was Mr. Tyner's "water boy" act. (He'll never live it down!)

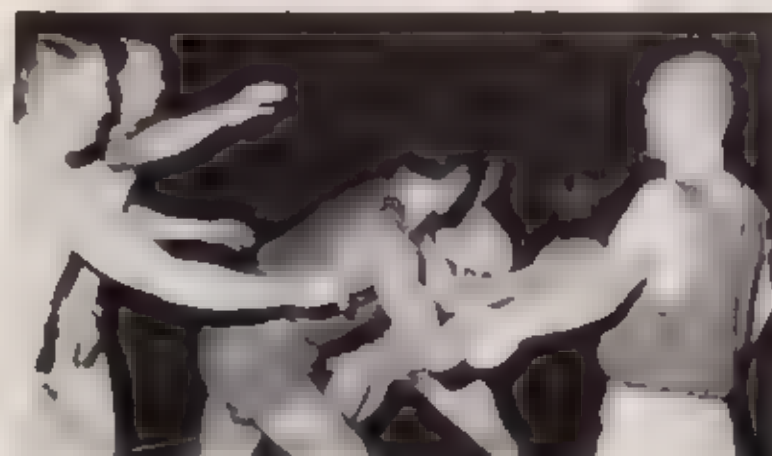

Miss Lucas and Mrs. Water showed the kids that teachers really aren't "square" when it comes to teen dances

puts on show and seniors play faculty

'Mad Medics' portrayed a typical day in Mrs. Byers' office. 'I'm sorry but an itchy beard will not excuse you from P.E.'

Vigorous expressions portrayed the enthusiasm shown in this year's Senior-Faculty game on March 2. Many of the faculty bounced out onto the court, but fatigue began to overcome these active players and they were obviously relieved to return to their bench positions for a breather. The faculty lost, for the first time in many years, but the student referees may have had some prejudice—(so the faculty claims)?

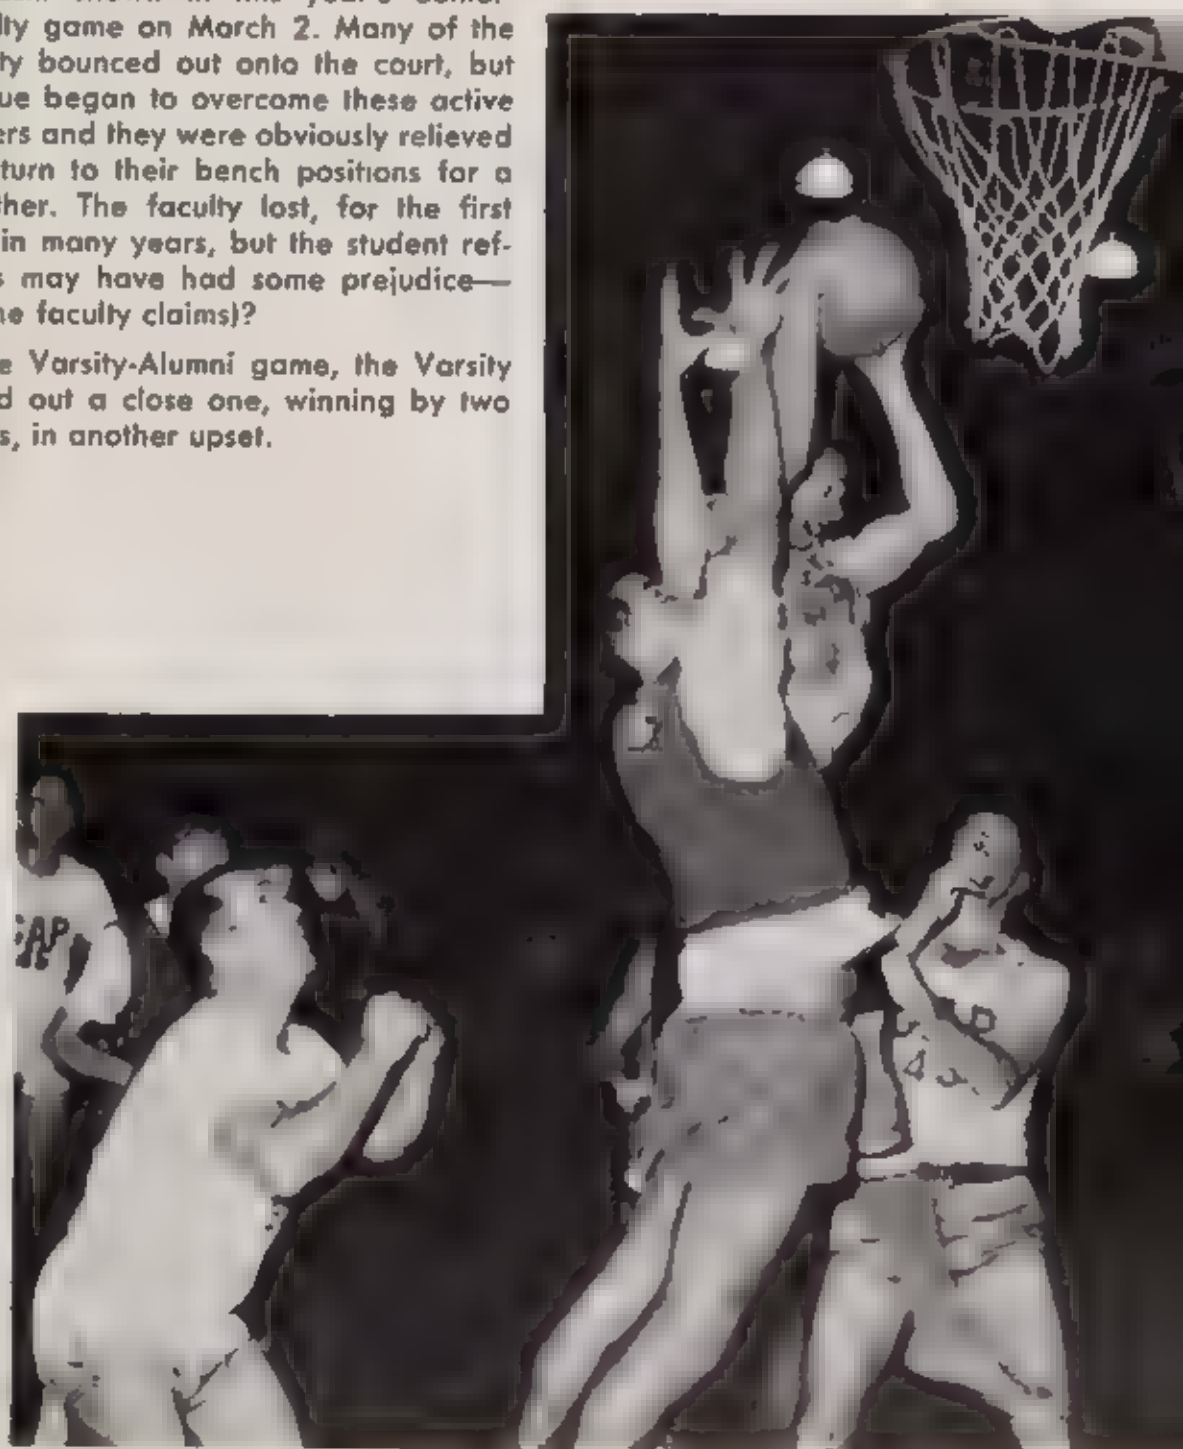

In the Varsity-Alumni game, the Varsity pulled out a close one, winning by two points, in another upset.

Mr. Tol was a real hit as "January"

This year's faculty show brought in over six hundred dollars, which will be used towards scholarships.

Although he is not pictured, special recognition should indeed go to Mr. Lattanzi who served as emcee. His jokes and adlibs kept the show unified and the audience interested during intermission and between acts.

it's the little things that count

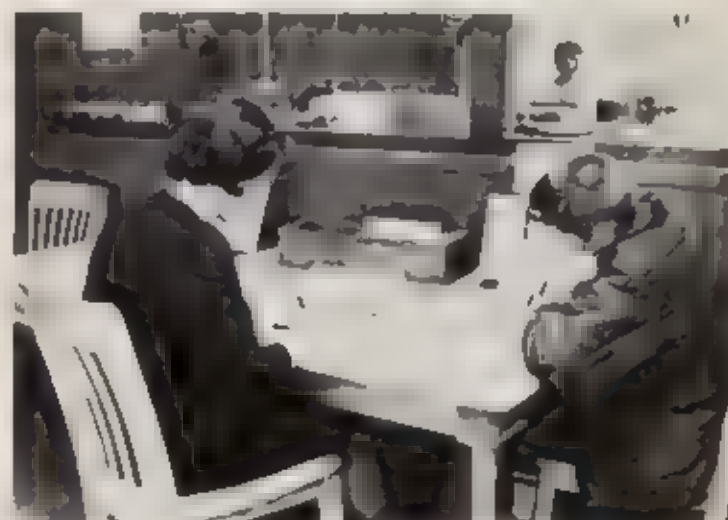

When the year is over and we look back, what do we remember? The big events? Yes, but mostly we remember the smaller incidents. It's the little things that count, for life is nothing more than a pattern of progression in time, space, and circumstance. To measure life, one seeks out the major plateaus — childhood, graduation, marriage, parenthood, etc. — but to know life, one comprehends the small, insignificant events which make one day different from the next. The Class of '63 has reached that plateau marked by graduation. But graduation alone does not sum up four years at Cap. Those years are weighted by little things. Some border on the abstract meanings of joy, sadness, envy, generosity, and idealism. Often they are the simple impressions of . . .

opening day assembly and sizing-up of new teachers

the arrival of
yearbook
supplements . .

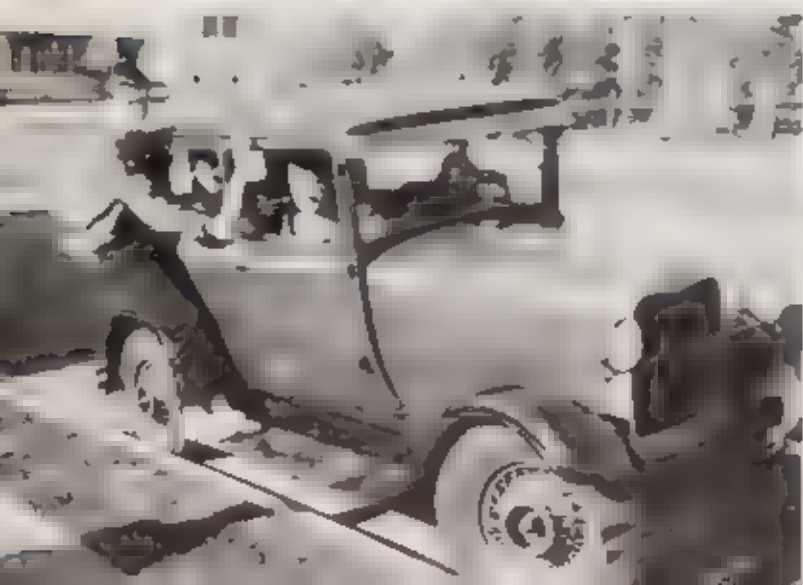

. . . the "fun" of filling out registration cards . .

. the first sock-hop, or .

. . the tenseness of wondering who would be
chosen queen . . .

. . . driving to school at 7:30 in the
morning . .

. getting your hair done for the
prom . . .

. . . campaigning, and the feeling
of relief when it's all over

. . final exams and resolutions to
"do better next time" . . .

. . . trying to wash off the
make-up after a rally

. . . the hush that falls over
the audience when Vicki gets
up to speak . . .

. singing the school hymn,
and the mixed emotions after
the last game of the sea-
son . . .

. . . the hunger pains that hit dur-
ing second period, and the frustra-
tion of waiting in line at brunch . .

Little things — this is the lesson of
life — at Cap, each person em-
bodies a collection of such mem-
ories

1963, the year that . . .

the discovery of Sabin oral vaccine brought an all-out drive to "K.O." polio

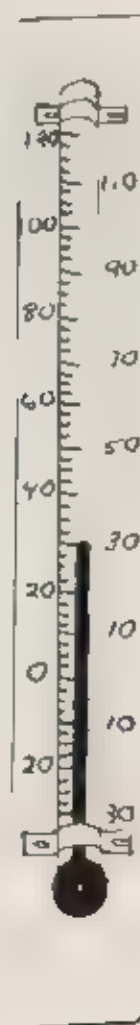

transistors were seen everywhere as the San Francisco Giants almost won the World Series

identities were changed as wigs became the newest craze . .

Bubble hair-dos . . . were deflated . .

the thermometer fell, and ski sweaters and parkas became a fad

essence

of

'63 . . .

Cap was hit by a "bridal wave" as more and more girls (even teachers) donned engagement rings

President Kennedy encouraged physical fitness and millions began fifty-mile hikes with "vigah"

Skirt lengths varied for the girls, pointed toed shoes remained, but . . .

for the boys, moccasins and sandals made the scene

The twist . . .

gave way to the limbo

... capuchino
caught off guard!

The cartoon is better than the
movie

Say, would someone tell me where the head is?"

'Gimme that peanut I'm
hungry

"Don't worry, Mark, we'll protect you!"

Now I shall defy gravity

Hey, Betsy, why don't you throw a party?

"Now girls, we're not going to let that dar-
ling boy break up our friendship, are we?
(Especially since I saw him first,

"Say, Evie, do you think I have the legs to become a majorette?"

"Then there was this traveling salesman."

"I think I'll become a blonde; I hear they have more fun."

"Uncle Sam needs YOU!"

"Mother, PLEASE, I'd rather do it myself"

"Eureka, I've found it!"

"But I can grab more with my hands!"

"You mean they're really taking away Mr. Ryan?"

deans view spectrum of capuchino

WHAT IS CAPUCHINO?

A dream come true, a place I love, people I respect, and a spirit I admire

THE DREAM, nurtured for many years by parents of Milbrae and San Bruno boys and girls who commuted (first by the old and now-defunct Number 40 streetcar, then by train and car pool) to the only two high schools in the District Burlingame and San Mateo, came true when "a school of their own" Capuchino, was built in the "North country."

THE PLACE, designed for the future and set in the past, whose name reminds me that our campus is on part of old El Rancho del Capuchino and whose rolling slopes remind me that a golf course occupied our site before we did. Its many parts thrill me: the sweep of the library roof, the drama of the "flying staircase", the curve of the little theatre gallery, the delight of the small patio garden facing the auditorium foyer and sparkling at night... especially in the rain. The vista of long hallways in the English building, the terrace beyond the cafeteria with dance music filtering out to promenading couples... these things and many more remind me I'm a lady in love with a place.

THE PEOPLE, respected for their varying abilities at both adult and student levels, win recognition and distinction that reflect on all of us. The teachers (dubbed the "friendly faculty" by our first graduating class and those that followed) with their grants, awards, fellowships and travels, spark the "mag nation" and whet the curiosity, imparting the excitement and dignity of learning in classroom and laboratory and on the athletic fields. The dedicated staff, working efficiently in offices, buildings, and on the grounds, give us glimpses of the great "deas" of service and of loyalty. And the students, acknowledged to be the reason for the whole, bring the place alive with color, energy, inquiry, and enthusiasm.

THE SPIRIT, threaded through adults and students, binding all together, thrives on the quick responsiveness of Capuchino students to pleas for help, their generosity in the "Wishing Well", to the good ship "Hope", to community appeals, the cooperation of faculty and students working together for a cause: the Christmas concert for AFS, the Capers of the faculty every two years in their Mod Cap variety show for scholarships for seniors going into teaching careers; and easiest and best of all, the ready smiles and the genial "Hi!" of all the people. These things and many more make the Capuchino I know: the dream come true, the place I love, the people I respect, and the spirit I admire.

JANICE ROBISON
Dean of Girls

TO MAKE A SHADOW

For ten years I have watched the fire of Capuchino High School grow. Its warmth and light have increased unevenly, but continually. Fuel for the fire is plentiful, yet it takes the efforts of many to provide it. It is your desire to learn that makes the flame leap and grow and you, in turn, are touched by its warmth and guided by its light.

As the fire brightens and becomes warmer, you are forced to take a step back. You begin to see that the flame has certain characteristics and in its light you have cast a shadow. You throw on your fuel of desire and with each step away your shadow of knowledge and understanding grows. The character of the flame becomes familiar and there are some of you who begin to identify it.

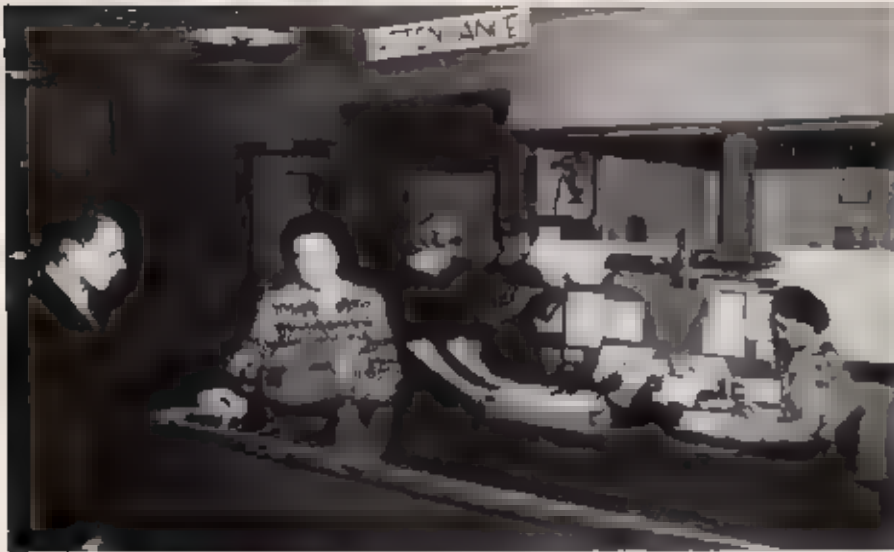

When you are no longer close enough to directly feed the flame, you can see that your shadow is as big as you wanted to make it, and that it always will be with you. Now, too, you can see that the flame has cast other shadows that cover and influence those who are near and many that are too distant to see its light.

Finally, the identity of the flame is clear for all to see and you wonder why you did not recognize it sooner, for it is only the fusion of small parts taken from each of us.

PAUL H. BALDWIN
Dean of Boys

secretaries, library, av, play important roles

While Mrs. Ruth Wilmer, attendance secretary, stamps an admit for senior A. Smith, other school business is handled by (left to right)—Mrs. Kathleen Habaugh, registrar; Mrs. Corrine Kahler, counseling secretary; and Mrs. Louise Raymond, attendance secretary.

Whether telephoning, writing, or getting a file, the difficult job of coordinating the administrative affairs of Capuchino is carried out efficiently by Miss Bobbie Gallo, secretary to the Dean of Boys; Mrs. Grace Sullivan, secretary to the Principal; and Mrs. Virginia Morrison, secretary to the Dean of Girls.

Capuchino is very fortunate to have such a resourceful audio-visual department. Some of the many teaching aids include records, films and tapes. Mrs. Dawd and Mr. Bedford use one of these conveniences.

Cap boasts an outstanding library equipped with over 15,000 books. Head librarian Robert Sumpter reaches for just one of the numerous books provided to help students in their work.

Librarians Cynthia Weston and Florence Overy check out a book to student Rick Asken.

counselors program student courses

Very important to Cap students is the Counseling Department, whose counselors help us plan our future by the use of various tests, and with many individual conferences during our four years.

They aid in choosing subjects necessary for college, for various careers, and those for developing the many skills of the students. Each counselor also teaches one class in order to keep in touch with learning processes and problems.

Counselor Leo Vannucci (Students whose last names begin with A & F-Ho) makes a phone call regarding a problem brought up by a student during one of the many conferences he and the other counselors have with students.

foreign languages are favorites at cap

One third of the students at Cap study foreign languages. This fact can be attributed to the wide range of languages offered, including Spanish, French, German, and Latin, plus extensive use of Cap's fine language lab. Enjoyment in learning foreign languages is also increased by the department advisorship of language clubs on campus, the biggest now being the German Club.

Capuchino has an extremely fine Math Department. Courses are offered which range from General Math to Math Analysis, taken in the senior year. In addition to the conventional subjects taught, new concepts and ideas of "modern" math are incorporated into most of the math classes. Other aspects of this department include the annual Math Contest, which it sponsors. Another contest in which Cap's outstanding math students participated this year was the Mathematics Contest sponsored by Santa Clara University. James Coulthard, a sophomore, placed second and honorable mention was earned by several other Cap students.

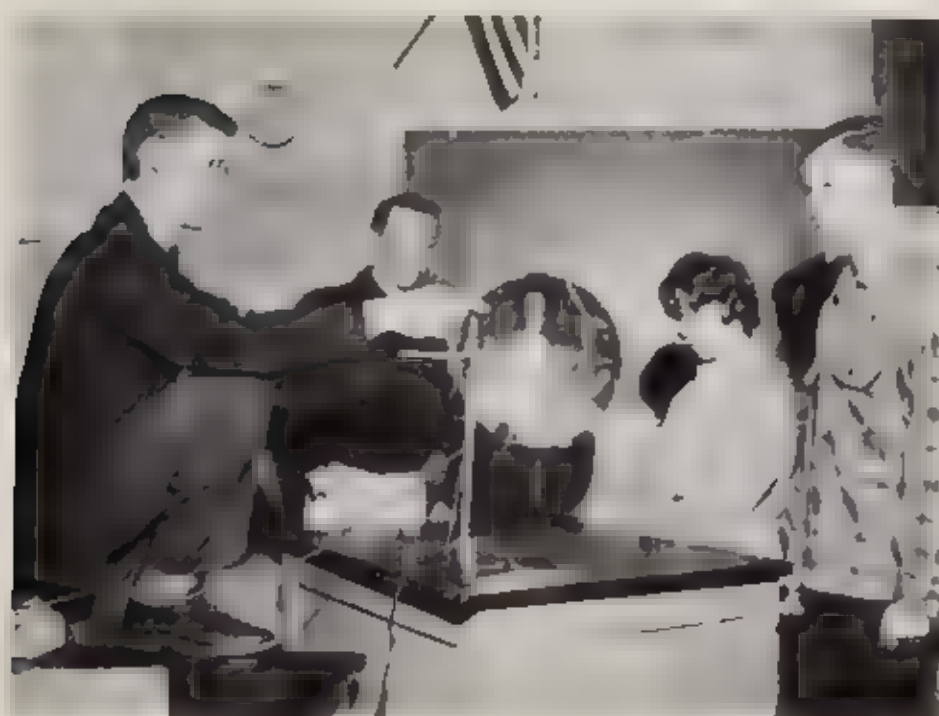

Mr. Irons explains methods for solving linear equations to Jerry O. Keefe

science lectures, labs, trips build knowledge

Along with the more traditional methods of teaching science, Capuchino's Science Department teaches through lectures, laboratory experiments and field trips. Perhaps one of the best on the Peninsula, the department offers many courses. Almost all aspects of science are taught; General Science, Biology, Earth Science, Physics and Chemistry are a few.

social studies help understanding

To understand others, one must first understand himself. Cap's Social Studies Department strives to provide the complete story of the United States from past to present.

Helping to increase students' knowledge and understanding of other people's customs, governments, histories and ways of thinking, is Capuchino's detailed Social Studies program.

Commenting on a point from the Economics textbook, Mr. Cassidy makes a humorous remark which brings smiles from his class.

Many varied courses approach the problem of acquainting Americans with the way of life in foreign lands via a thorough examination of the country's economic history and government.

The courses in U.S. History and Government, as well as Economics, enable students to draw valid conclusions and make accurate comparisons concerning the society in which they now live and societies existing since the beginning of time.

p.e. develops skills

Cap's physical education department offers students a varied program designed to develop bodily skills. Underclassmen learn team work through sports such as football, basketball, volleyball and baseball.

Upperclassmen concentrate on individual skills. Sports such as tennis, modern dance for girls, tumbling and archery are stressed. Swimming instruction is also a very important activity made available to Cap students.

Essential in Boys P.E. is the physical fitness program which measures advancement of the individual along the lines of President Kennedy's recommendations for keeping in good physical condition.

home ec. trains for future

The various branches of the Homemaking Department not only teach girls the valuable skills of cooking and sewing but help to prepare them for the all-important job of housewife and mother. This is accomplished through courses ranging from home management to extensive studies of nutrition, included in Foods.

fine arts stimulate talents

Because of the close cooperation among Cap's Music, Art, and Drama Departments in a kind of "Fine Arts" Department, recent achievements in this field have shown exceptionally high quality.

Recognizing that these three are complementary in nature, directors of the individual departments have mingled the unique qualities of music, art and drama in some outstanding presentations, that have brought renown to Cap and personal satisfaction to the hundreds of students participating.

Mr. Magginietti explains the function of the piston to his auto mechanics class. A high point of accomplishment last year was the national first place award won in Detroit by Mr. Magginietti's automobile engine trouble-shooting team of Dave Pinn and Roger Schlitzkus.

custodians maintain cap's appearance

Cap's maintenance crew not only keeps up the fine condition of the school, but they often help the students themselves. They are standing: Altha Gibson, Gino Tribuzi, William Costello, Roy Jones, Paul Olson, Ed Schofield (engineer), and Ernie Laro, Head custodian. Kneeling: Julio Bernacchi, Rocky Flores, G. Wintermond, and Henry Federighi.

Mario Sereni

The pride taken in our campus is shown by the trim appearance, maintained by our fine crew of groundskeepers: Louis De Martini, Al Leveroni, Louis Teixeira, and Head gardener Mario Sereni.

Seeing that the school facilities are always in top notch condition for the carrying out of the educational activities of school, is the job of Cap's maintenance crew. While their services are often taken for granted, and are performed in the background, their services are a vital part of the school functions.

Our cooks are important also, in that they plan a well balanced noon meal and, as all agree, manage a terrific brunch for the student body.

cafeteria serves lunch, brunch

The hectic business of serving lunch to a large student body is capably managed by Cap's excellent cooks: Grace Giannotti, Alice Bartlett, Nel Lizzio, Jo Gervasi, Doris Bortolussi, Helen Love, Sylvia Stein, head cook, and Hilda Eisenburg. Not pictured are Vi Chandler, Margaret Lauer, and Mary Baglio.

the class of 1963

Finally we have reached the magic number '63. Our officers and advisors, whom you see pictured on this page, have ably led us through our final and most significant year at Cap.

As part of the honor of finally becoming seniors we were given exclusive use of Senior Court and presented with occasional live entertainment in the court. The Senior-Faculty Basketball Game saw the talented senior five defeat their educators for the first time in six years.

Senior-sponsored sock hops and game concessions helped finance the senior ball and grad night. Our senior ball, "Moonlight Mist," which was held at the Hilton Inn on January 26, was truly a night to remember. Grad night, our full night of entertainment following graduation, was held at the Villa Hotel on June 13.

We would like, at this time, to thank our advisors for the work they have devoted to our class, its problems, and its successes.

Class Advisors: Sally Mason, Carl Lueder, Ralph Dudley, James Smith.

LETA ZUMSTEG

cap is in the past . . .

On a drizzly August morning, way back in 1959, the familiar, unforeseeable title, class of '63, was bestowed upon us. With this title, the class of '63, some four hundred strong, became united into one. We were no longer from Parkside, Taylor, Saint Dunstons, or Saint Roberts, but all one, the Class of '63.

Each of our individual years, freshman, sophomore, junior, and senior, have converged together to constitute a separate part of our lives, our high school career. At no other time of our lives will we ever share the happiness, sorrow and companionship of such a vast group as our class.

As seniors for the last time we were a part of the every day life at Cap. We will no longer converge for lunch in our Senior Court. Waiting in line to buy a sack lunch, finally moving to the front of the line just to have someone jump in front of you, is over. Battles with the juniors because of illegal trespassing of our court now cease to exist; it is theirs.

We have sat in our senior balcony for the last time. We will no longer exercise the privilege of leaving assemblies first; there will be no more for us.

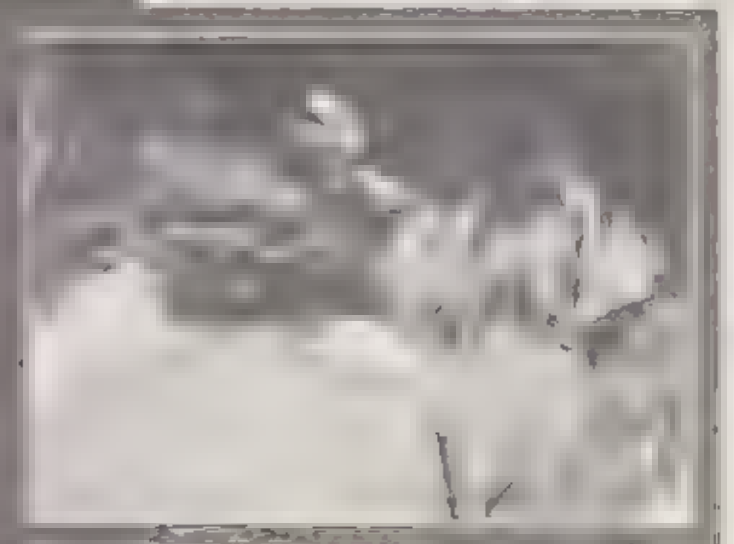

Student Body elections are forever in the past. Many members of our class have participated actively (four years — eight elections) as a part of Student Body elections and many have held offices.

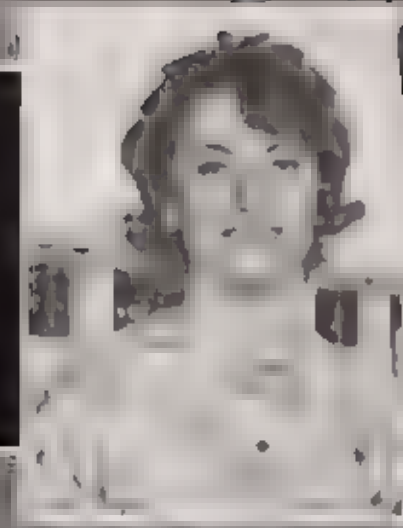

At rallies we will no longer be a part of the spirit and fun. No more skits, and no more hoarse voices. We will no longer sit together as the class of '63 under our familiar senior sign. Rallies are gone and in the past, as is the class of '63.

We have attended our last Friday night basketball game. We have ceased to be a part of the everyday life of Cap.

juniors

Class officers L. to R. Linda D'Aoust, Treasurer; Linda Sumners, Secretary; Randy Beale, Vice President; Ken Muscat, President

The most exciting event for the junior class was their Junior Prom, "Tahitian Twilight", held on April 20th in the cafeteria. In October, the class of '64 received their class rings, and sponsored a sock hop, " '64 Stomps Some More". The class officers, Ken Muscat, president; Randy Beale, vice president; Linda Sumners, secretary; and Linda D'Aoust, treasurer, helped their highly spirited class climb to new heights this year.

sophomores

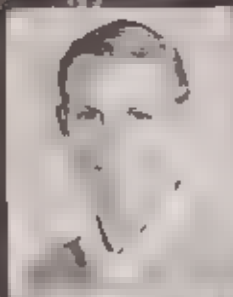

Sophomore Officers, L. to R.: Steve Koskela, Treasurer; Mary De Vee, Secretary; Brian Alley, Vice President; Harvey Solomon, President

From an assembly for the entire sophomore class at the beginning of the year, to the selection of their class rings, the class of '65 has worked diligently to make their second year at Cap profitable. The sophomores not only held an enjoyable Freshman-Sophomore fun-night, but a sockhop, "Mustang Mash", on February 14. With a generous donation to the Cap Code, President Harvey Solomon, Vice-President Brian Alley, Secretary Mary DeVee, and Treasurer Steve Koskela led their class in a fun-filled year.

Junior sensation Dave McCann (24) eludes a Burlingame tackle after he intercepted a Burlingame pass attempt.

'62 'tangs

This year's Capuchino Varsity Football Team claimed the most inspirational and successful comeback of the school's history. After a mediocre start with five games played and only one victory, the Mustangs literally caught fire. Starting with a 26-6 rampage over San Mateo, the "New 'Tangs" exhibited great team spirit and hustled to capture four victories in a row.

Defending champion Hillsdale was the next victim of the rejuvenated "green machine." During this game our 'Tangs displayed the most breath-taking drive for a touchdown that the newly formed Mid-Peninsula League had ever known. With the score deadlocked at 6-6 and fifty-nine seconds remaining in the first half, the 'Tangs went to the air for sixty-seven yards and a touchdown to amaze themselves—and every one of the four thousand spectators. Hillsdale, still stunned from the 'Tangs' miraculous drive, couldn't do much in the second half, as the score remained 13-7 for another Cap victory.

In the next game, with Del Mar from San Jose, the 'Tangs

Having his greatest year, Jim O Keefe romps for sizable yardage after receiving a Dennis Doris aerial. Dave Kauffman (48) comes up to take out a Mills defender.

Dave McCann (24), led by the blocking of senior Mike Tekrony (49), makes a spectacular 58 yard run back while intercepting a San Mateo pass.

One of the many displays of Cap's tough defensive squad is shown by Mike Tekrony (49), Al Steenvoorde (38), Lance Williams (69), Bill Fitzgerald (46), and Dave McCann (24).

catch fire

continued where they had left off with a 26-6 slaughter. Riding an impressive three-game winning streak and with a chance for second place behind Burlingame, the mighty 'Tangs set their sights on number four, Mills. This Thanksgiving eve game was staged as the biggest, most spirited one of the year. Both teams were said to be evenly matched; the game was considered a toss-up. Since it was the last game of the season, and the end of a high school football career for the many seniors, the 'Tangs were determined to bow out in style. With our Mustangs showing a terrific air game, dazzling running, and hard-nosed line play, they rolled up a 19-6 victory.

By ending the season with four brilliant victories in a row, the 'Tangs earned the title as "The comeback team of '62." Although this year's team didn't have the colorful win-loss record of the great teams of Capuchino, there is no denying that in its own right this year's football team held the most impressive late season record ever accomplished at Capuchino.

Senior halfback Mike Jackson (21) bulls over for six points against South City. Looking on are (39) Dennis Doris and (20) Tom Browne.

Against Aragon, senior quarterback Dennis Doris completes a hand off to (20) Tom Browne over the left side of the line.

Mike Tekrony (49) gets a punt off just in time as an Aragon defender rushes in. Jack Dills (42) and Ron Castello (44) are the blockers.

All league halfback Jim O'Keefe (37), led by lineman of the year Ron Castello (44), sweeps left end.

Meditation and Rest

On the bus

Chalk Talk

“our destination is victory”

Football is not only a game played on the field, but a game in which the player again and again visualizes what his outcome and the team's outcome will be. The football player not only builds his body and skills for an upcoming game, he also prepares his mind. Football is not a simple matter of knocking each other around; it goes much deeper. A good football player has it in his heart to do his ultimate best. He will explode into the foe on every block, on every tackle, on every play. When his muscles feel as though they can no longer move his limbs, he will not quit, he will not slow down, he will go on because he knows he has been chosen by the coaches and the team to do a job. He will do his job, and will not let 10 players do the job of 11, if he is a real football player. A player will possess this fortitude, this supreme endurance because in his mind and in his heart he is determined not ever to allow 10 players to assume the responsibility of 11. He can accomplish this because he has prepared himself mentally.

M.P.L. 1st Team

This year's second place 20's showed Cap basketball fans some very outstanding prospects. The team proved true to form all year as can be seen in the league standings. When asked to give his views on the season Coach Johnson made the following comment:

"This season we lost three games, of which two were very close, and the third game by nine points. If we had won two of the three games, we could have won the title."

D. Rossi

Coach Byron McCaughey holds the Max Truex Trophy which Capuchino and Mills shared this year.

Varsity, L. to R.: Bob Dills, Mike Raymond, Roy Mattson, Ken Day, Jim Bryan, Jim Booth, and Gene French.

cross-country fares well

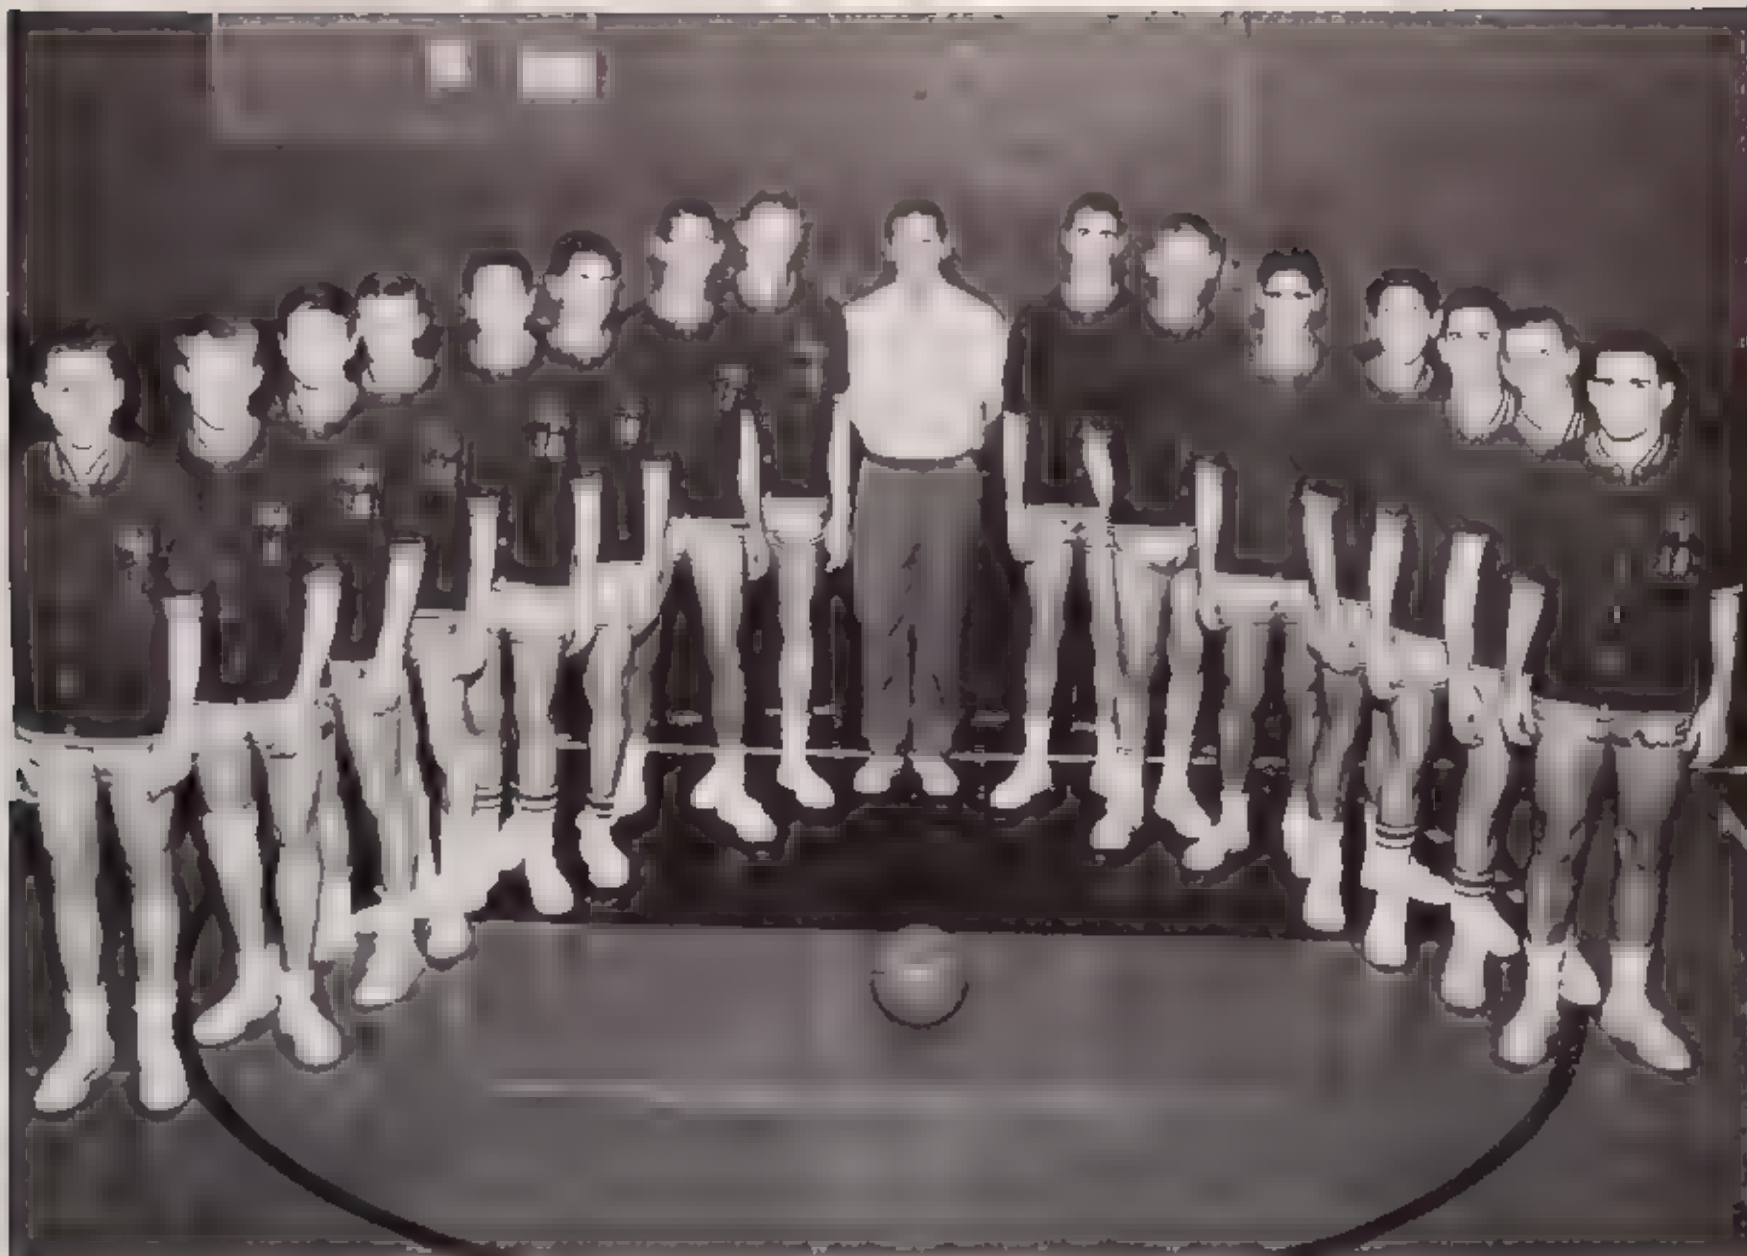

This year's cross-country team set many team as well as individual records. In the North Coast Meet at Stanford, a group composed of Stu Harber, Mike Raymond, Roy Mattson, Ed Young, and Stu Hazard ran exactly the same time as the '58 squad. Until this time the '58 team had been considered Cap's swiftest ever. Stu Harber won the two mile Turkey Trot on Thanksgiving Day at Hillsdale, beating representatives of many Peninsula schools.

Frosh-soph, L. to R.: Carlos Araya, Mark Miller, Ron Bacolini, Roy Howard, Bob Fournier, Pete Cuneo, Pete Forch, Ed Young, Bob Taylor and Jack Parker.

Junior varsity, L. to R.: Jim Nichols, Larry Nucci, Joe Cuneo, Les Dougan, Jack Bishop, Steve Matulich, Ron Renfro, and Mike Marr.

L. to R.: Stan DeLuca, Kent Morris, Ken Frank, Bryan Alley, Pete Pontacq, Mike Lopez, Dave Parker, Gary Calhaan, Coach Ken LaCrosse, Bill Vanderhule, Russ Antrocoli, Jerry Costanzo, Bill Nichols, Bob Schauer, Roger Prince, Mike Curtin

thirties finish second in league play

Although they did not win the championship for the first time in seven years, this year's 30's basketball team overshadowed teams of the past in their hustling attitude

Against league opposition which was generally much bigger, these "fighters" managed an 8-2 record which was good enough for second place, ahead of third place Mills' 6-4. The top players besides the starters were Bill Vanderhule, Bill Nichols, Bryan Alley, Kent Morris and Bob Schauer.

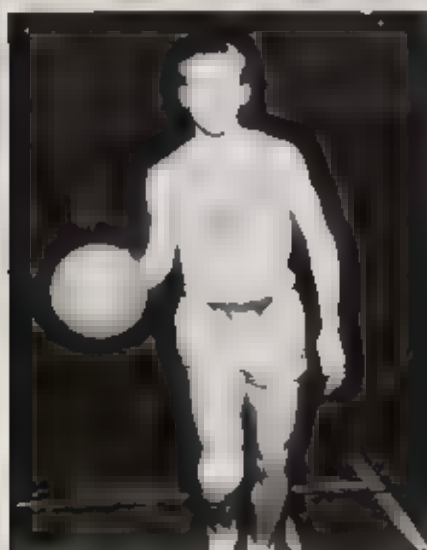

Coach Ken LaCrosse demonstrates a basketball fundamental to his "starling five." From L. to R.: Roger Prince, Jerry Costanzo, Gary Calhaan, Stan DeLuca, Pete Pontacq and Coach Ken LaCrosse.

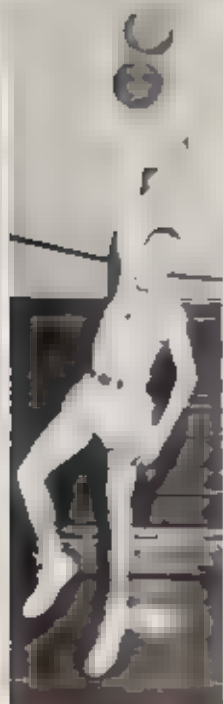

Assistant Coach Ernie Schnurpfel watches game action as Coach LaCrosse discusses strategy with Kent Morris and Bob Schauer

Jerry Costanzo (No. 25) and Mike Lopez (No. 52) move into position as Kent Morris (No. 34) fights for the ball

Coach J. Johnson

Typical tension of game pressures shows through on these players' and coaches' faces.

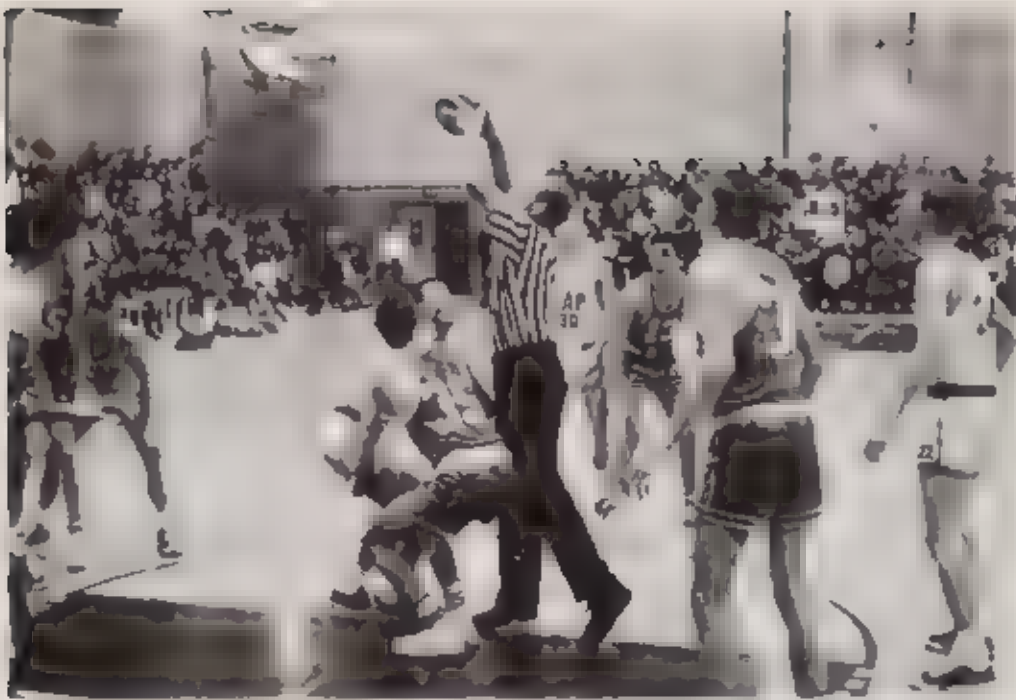

Spectators and players alike look on solemnly as a Cap player takes aim on free throw line.

varsity drives to third place

Desire—Hustle—Drive were the ingredients for the team of '63. Picked for a last division finish the 'tangs showed their style and desire by taking a third place with a six and four record.

This year's "Little Green Giants," although shorter than any previous Capuchino team, held their own in one of the most competitive leagues in the history of the Peninsula.

Gene Haun prepares himself for jump ball in game against Burlingame. This game accounted for Cap's fourth win.

Al Steenvoarde looks for opening for a drive.

Rich James takes left handed jump shot for two points

'tangs show tremendous spirit

This year's Varsity Basketball team has proved to be a spark in the entire revival of the CAP student body's spirit. Coach Jim Johnson has credited this team as being the most determined team he has coached. The "Green Giants" were consistent underdogs but ended the season in third place in the MPL.

Diminutive sized Pete Harames takes down one of his several rebounds against Burlingame
